**Who is Bill Hillhouse?** Bill is one of the premier men's fastpitch pitchers in the country. He has competed internationally and served twice on the Men's National Team. Bill was the youngest pitcher to play on the US Men's National team. Bill has played and/or coached on 6 of the world's 7 continents. Bill coaches and instructs, not only across the country, but in other countries as well (Denmark, Bahamas, Panama and the Dominican Republic just to name a few).

**What can you expect at the clinic?** Each pitching session, Bill will cover pitching mechanics, understanding pitching styles, troubleshooting mechanics, the difference between correct and incorrect drills commonly used by pitchers and pitching coaches, pitching demonstrations, and a question and answer session. This is an awesome opportunity for pitchers, parents and coaches in the Northwest to learn from one of the elite pitchers and instructors in the nation. Session sizes are limited to allow for each pitcher to receive maximum attention from Mr. Hillhouse.
